

Website Update

Members, per several of your inquiries, your web-master, Harley Ewing has made the VGA website more user-friendly at <https://www.valleygolfers.com/>. Here's how:

1. **Home Page:** Offers easy access to all of important topics. Scroll down the page for important topics including upcoming events, golfing new items, a second link to Golf Genius, VGA rules, past VGA tournaments, etc.
2. **Golf Genius link page:** This is the VGA's link to tee-sheets, handicaps and results for all VGA events for the current year. Please note that using this link will take you away from the valleygolfers.com page.
3. **The New VGA Online Entry Form:** Here you can sign up for VGA events or just see what is scheduled.
4. **Schedule:** The link that sends you to our printer-friendly quarterly VGA tournaments.
5. **Big Dogs & Aces & Eagles:** See the Big Dogs of the VGA standings and the members who made recent holes in one or eagles.
6. **Contact us:** This page links you to our event coordinators, Board of Directors, committee leaders and members.
7. **Join and Renew:** Links on how to join the VGA.
8. **Handicap Information:** Links you to the [AGA website](#) where you can post a score on-line.
9. **Newsletters:** A quarterly review of what's going on in the VGA.
10. **Rules Page:** VGA local/member rules and USGA rules are posted on this link.
11. **Media page:** Random items, pictures, and videos.
12. **Play ready golf:** Informative page of recommendations to keep up with the group in front of you.

Your input regarding our website is welcomed. If there is any way we can improve it, please direct your inquiries to Harley Ewing.
