If you do not find your name on the T sheet, then you must call the event coordinator immediately if you wish to play. Do not be left out always make sure your name is on the Tee Sheet. ### **Golf Genius Sign up and confirmation.**

You will be signed up for the event that you have chosen. The form automatically sends you a confirmation of your entry or declining entry. You will be given an opportunity to send a message back to the coordinator after you have declared Playing or Not Playing on the confirmation you get. Or you should go to the VGA website. [www.valleygolfers.com](http://www.valleygolfers.com) and sign up for the event you want to play on the online entry page. At that time, you can not only sign up yourself, but sign up any guests you would like to introduce to VGA play or ask to play in any group you would like. Of course, it is impossible to guarantee that can happen, but the event coordinators try to accommodate. Please be advised that members will take

precedence over non-members, so it is not always possible to get non-member guests into the event. Golf Course usually restricts us to a certain number of players. The signup policy is on the website. Please take time to read it.

Please arrive one half hour in advance of the 1<sup>st</sup> tee time. Usually range balls are provided, so you can warm up on the driving and putting and chipping ranges. Arriving early allows the coordinators a chance to warm up too. When you arrive at the course, go to the pro shop, and pay your green fees. Then find the coordinator and if you are participating in all the player prize pots, the coordinator will sign you up and collect a fee of \$10.00 to cover all the prize pots. Guests and non-Members are charged \$5 which also covers your CTP entry. Birdie prize each hole on the course, there can be only one birdie paid on each hole. That means if there are two or more birdies made on the same hole no one is paid as one cancels the other. For each hole on the course, you must be the only one to have made a birdie to get the birdie prize. The (CTP) closest to the pin fee is \$1.00. Everyone including non-members must pay this fee. *This is the only pot that non-members are eligible to participate in.* The money payout is based on the number of entries and number of par three holes that have one or more players that reach the hole in one stroke. There can be only one winner on each par 3 hole and that is the closest to the pin ball in case two or more players arrive on the green in one stroke. That is how it works. Please remember all player prize pots are voluntary except the CTP \$1 fee for everyone. So have fun, that is the main thing and good luck to all the players. See you at the next VGA golf experience.
