

VGA complete signup rules:

Please take a moment to read the paragraphs below before proceeding with the form. It contains valuable information that can help save time for future submissions. Remember, in this form, entries must be submitted one at a time & no more than two weeks in advance. Keep going with your positive energy! You are doing great!

Sign-up Policy: All members will receive an email invitation from the event coordinator two weeks before the event date. You can choose to play or not to play. If you decide to play, you will get a Round Signup Confirmation, which will confirm if you are registered or on the waitlist. If you choose not to play, you will receive a Round Signup Confirmation confirming that you have canceled your invitation, but please keep the response in case you change your mind later. If you need to cancel, you can use the VGA Golf Genius confirmation form you received when you chose to play. The confirmation email allows you to communicate directly with the event coordinator, and you can add or remove your name using this method.

Here are the guidelines for sign-ups:

1. First come, first served. Those who sign up within the noted period will be selected to fill available slots first.
2. If timely requests exceed available tee times, the course will be asked to allow fivesomes or provide additional tee times.
3. Late requests will be given consideration only if slots are available.
4. Guests may only sign up one week before the event. Please let us know if you wish to be contacted about becoming a member. Look over the options in the entry form below.

The price shown is the green fee quoted by the course for the event. Both guests and members pay their green fees. However, members are required to pay \$15.00 to VGA and are entered into the net prize pot, the Birdie pool, and the CTP pot. Guests may not participate in the net prize pot or birdie pot. The fee for guests is \$5.00, which enters them into the CTP pot.

Onsite check-in must be completed, and all fees must be paid to the event organizer at least half an hour before the first tee time shown for the event. The VGA Event Coordinator can deny your entry payment if it is not paid before the 30-minute deadline. If you may be late, please call the coordinators at the top of the page and let them know or ask a friend to pay for you.
